

## Easter Sunday Craft

### Supplies Needed:

- Colored paper or construction paper (including black)
- Scissors
- Glue
- Piece of card stock
- Template of Crosses and Hill

### Directions:

- Cut strips of paper the width of the card stock.
- Trace and cut out the crosses and the hill from the black paper.
- Glue the strips of paper on the cardstock. Try to go from the yellows and oranges on the bottom to the blues and purples on the top (this will give the look of a sunrise).
- Glue the hill to the bottom of the cardstock (warm color side)
- Glue the crosses on top (see the picture above).

Trace on black construction paper
