

Fishers of Men Craft Project

Today's craft project you will make a wall hanging in which you will pick people in your life in which you will disciple them – meaning tell about God.

Supplies Needed:

- Paper plate
- Construction paper or cardstock
- Yarn or ribbon
- Tape or glue
- Markers or crayons
- Template of fish (used for tracing)

Directions:

- Cut your paper plate in half.
- On the center of the back of the plate write, "Come, follow me," Jesus said, "and I will make you fishers of men."
- Trace the fish on construction paper or cardstock and cut out. You may copy the eye, if you choose – the picture does not show the eyes.
- Write the names with which you would like to share God.
- You a hole punch to make three holes in the rim of the plate and two in the top (to hang) – see the picture above.
- String the ribbon or yarn through the holes and glue or tape them to the back of the plate (which is really the right side of the plate). Tape or glue the yarn or ribbon to the back of the fish.
- Hang this in your room to remind you about your duty as a disciple of Christ to share God's good news.
